NOTE: Many cemeteries require an Outer Burial Container or "Burial Vault" to encase the casketed remains of a loved one and to protect the integrity of the cemetery. Some families have already purchased this from a cemetery or have one supplied to them as a Veteran Benefit. If one has not been purchased we offer a full line of Wilbert vaults to fit your needs and budget. Your Funeral Director will be happy to assist you.

Outer Burial Container Range of Prices: \$1,295 - \$9,300.

Package Notes

- ❖ Upgrades are available to each package. Please ask your funeral director for a list of complete upgrade options.
- ❖ All items listed in each package are included and then discounted. If you would like to delete any items from the package then your funeral director will help make a customized plan for you from our [General Price List](#) and any discount will be void.
- ❖ Other packages are available. Please see your funeral director for more information.

Payment Options

- ❖ We accept the following methods of payment: Cash, Check, and/or Assignment of Life Insurance (Subject to Verification), Visa, MasterCard, Discover, or American Express.
- ❖ If using a life insurance policy, Rogers' Funeral Home does NOT charge any fee whatsoever to help you make a claim or assign the paying policy over to us. We are proud to offer this service for FREE. Many other funeral homes will charge you a percentage of the policy which can be a significant hidden cost. We have no hidden costs at Rogers' Funeral Homes.
- ❖ NOTE: If using a Credit Card to pay for Cash Advance Items or any Funeral cost over \$1000.00 then the sum of said items is subject to a %3.25 convenience fee. *Why is this?* We rarely have full payment on a credit card. So, instead of increasing our prices to all the families we serve to cover eventual credit card processing fees, we have decided that if you should choose to use a credit card (for points or convenience), opposed to a check or insurance, then the cost of convenience must be covered by the purchaser receiving the benefit(s), not the service provider.
